W.O.W.

Words and Music by: Laean Angeles, Simon Calma, RM Noriega, Elle Cabiling Tumaliuan, Ian Tumaliuan, and Josiah Tumaliuan
A | 136 BPM | 4-4

INTRO:
Bm7 C#m7

VERSE 1:

Bm7   **C#m7**
Look at all the birds of the air, do they worry?
Bm7
How about the flowers of the fields, don't they
C#m7
grow?
Bm7
'Cause every day is passing by at speed of light
C#m7
Lord, I'm getting tired of just standing by
Bm7
Then You come out of nowhere, by surprise
C#m7
Performing miracles before my eyes

CHORUS:
Bm7
WOW
       C#m7
I'm in awe of Your ways and Your wonders
Bm7
Like when You walked
When You walked through the storm on the
C#m7
water
Bm7
You're the cloud by day, in the night my light
C#m7
Robbed the grave for my eternity
I can't help but say

Bm7
WOW
       C#m7
I'm in awe of Your ways and Your wonders

VERSE 2:
Bm7   **C#m7**
I've been wandering on my own
       Bm7
Everything I've seen all day long, same
phase, same places
       C#m7
But You've been showing new ways yeah
Bm7
Over and over You run after me
C#m7
Working Your wonders now it's clear to me
Bm7
That I've been raised from my lows
C#m7
Blown away by what You've shown
So I'll say

[REPEAT CHORUS]

VERSE 3:
       Bm7
When in high and low I know
You're everywhere I go
       C#m7
I'm confident, it's evident
Your love for me it never ends
       Bm7
You're always by my side
I'm always on Your mind

C#m7
You've shown me time and time again
Your love for me, it never ends

Bm7
(How deep, how wide, how high)
Your love for me, it never ends
C#m7
(How deep, how wide, how high)
Your love for me, it never ends
Bm7
(How deep, how wide, how high)
C#m7
Deep, wide, high

[REPEAT CHORUS]

OUTRO:
Bm7
Every day You show me
Wonders on wonders
C#m7
Wonders on wonders
Wonders on wonders
