There is nothing You can't do
We can do all things through You
All our lives we give to You
We're living for You
We're living for You

RAP: | A | G#7 | C#m7 | Bm7 Esus |

Ang grasya Mo'y umaapaw
Pag-ibig nangingibabaw
Pag-asang 'di maa-agaw
Galing 'to sa 'Yo

Eternity's in my heart now
And in Your presence I bow down
Ever since the day that I found out
All I need is You

'Yong kamataya'y, sa aki'y biyaya
Ngayon ako'y malayang-malaya
Walang katulad, 'di maga-gaya
'Yong karangalan, aking ligaya

I'm crucified, no longer living
In You I live, move, and have my being
Lord, none of me and all of You
So let Your grace shine bright
